Type II Vinyl Wallcoverings

Commercial-Grade Performance. Effortless Style.

Built for High-Traffic Environments
Our Type II vinyl delivers superior durability with a minimum 100 Wyzenbeek abrasion cycles, puncture and tear resistance, and a 5-year warranty against manufacturing defects.

Easy to Maintain
Scrubbable, washable, and stain- and scuff-resistant surfaces stand up to daily wear. Antimicrobial treatment resists mold and mildew, even in humid environments.

Safe & Certified Class A fire Rated
(Flame Spread ≤25, Smoke ≤450)
Ultra-low VOC and certified under CA-1350. Phthalate-, lead-, and cadmium-free.

Sustainably Made PVC-free options
(Terralon, Duralon) feature post-consumer recycled content and breathable backings that prevent moisture buildup. Strippable construction means clean, damage-free removal when it's time to refresh.

The Sokol Hohne Studios Copyrights Commitment
We formally copyright every original wallcovering design created by Sokol Hohne Studios.
